How it works

We have compiled a list of 20 books that they think are 'must reads' for pupils in Year 1. Pupils can read these books independently or an adult can read them to the pupils. The books are available from our classroom library, or you may already have your own copies at home or get this from one of the local libraries. Throughout the year, we would like you and your child to read these books to promote a love of learning. Once you have read a book, please sign the box and write any comments your child had about the book (e.g. star rating, favourite character or what they liked about the book). Once your passport is completed, and all 20 books are read, your child will receive a special prize and receive a certificate in school during our Celebration Assemblies.

We hope this will be an enjoyable project for you and your child!

Thank you for your support!
