

**We are delighted to welcome back Ms Winning to our school family this academic year!**

**Ms Winning will be joining Jupiter Class on Fridays, working alongside our Year 5 and Year 6 pupils whilst Mrs Johnson teaches Monday to Thursday. Many of you will remember Ms Winning from her previous time with us over a year ago, where she provided wonderful support to help children develop their reading and writing skills amongst many other areas. We are thrilled to have her expertise back in our school.**

**We also have another exciting addition to our team - please join us in welcoming Mrs Anderson, our new office administrator, who will be with us Monday to Thursday. Mrs Bishop, our office manager, will continue her valuable work on Thursdays and Fridays.**

**This year we are excited to share our new four-class structure:**

**Mars Class** welcomes all our Reception and Year 1 children, with Mrs Reynolds teaching Tuesday to Friday. On Mondays, Mrs Reynecke-Raybould will be leading Mars Class until Mrs Collins returns from maternity leave.

**Mercury Class** is home to our Year 2 pupils, with Mrs Jarmain teaching core subjects (English and Mathematics) in the mornings alongside Saturn Class, and Mrs Dowding taking over in the afternoons for foundation subjects.

**Saturn Class** continues under Mrs Jarmain's expert guidance, supporting our Year 3 and Year 4 pupils throughout the week.

**Jupiter Class** houses our Year 5 and Year 6 pupils, with Mrs Johnson Monday to Thursday and Ms Winning completing the week on Fridays.

**Please do give both Ms Winning and Mrs Anderson a warm hello when you see them around school - we know they'll both feel right at home with our wonderful school community!**

**What a wonderful community effort! It was brilliant to see so many parents and PTA members volunteering their time during the summer holidays to spruce up the school. The range of tasks they tackled was impressive - from gardening work, like pruning hedges and clearing weeds, to maintenance jobs like jet washing and painting, plus practical projects like building sheds.**

**It must make such a difference for the pupils and staff returning to a beautifully tidy and well-maintained school environment. These kinds of community initiatives really show the value of parent engagement and how much difference collective effort can make. The school is fortunate to have such dedicated volunteers willing to roll up their sleeves during their holidays.**

# Uniform for 2025-2026

Trousers	Navy Blue
Shorts	Navy Blue (Smart)
Skirts	Navy Blue
Pinafore	Navy Blue

A huge thank you to parents and carers who have made sure that our lovely pupils are wearing the correct uniform. They look lovely and so smart! Please make sure that your children also have the correct P.E. kit as we will be doing lots of exercises! Also make sure that you take out earrings on P.E. days. Jupiter Class parents and carers, please make sure that your child has a P.E. kit as well as a swimming kit ready. Thanks :-)

## Summer Reading Challenge

We're delighted to celebrate the fantastic achievement of our nine young readers who successfully completed this year's Summer Reading Challenge! Each child read an impressive six different books throughout the summer holidays, demonstrating real dedication and a love of reading.

Our brilliant bookworms have been rewarded for their hard work with stickers, certificates and special medals to commemorate their achievement. It's wonderful to see so many children staying engaged with reading during the holidays and discovering new stories and authors along the way.

Well done to all our reading champions - you should be incredibly proud of yourselves! Your commitment to reading will serve you well as you continue your learning journey.

## Weekly Attendance Winners

*Well done to Mars Class, Saturn Class and Jupiter Class for having a 100% attendance this week! We are super proud of you all. Enjoy your 10 minutes of extra playtime! You deserve it! :-)*

## Stars of the Week

*What a brilliant week we've had! Our stars have been absolutely wonderful – showing kindness to friends, working hard in their lessons, and making our school a happy place to be. Well done to all our shining stars – you make us so proud every day!*

## Pawsome Reading

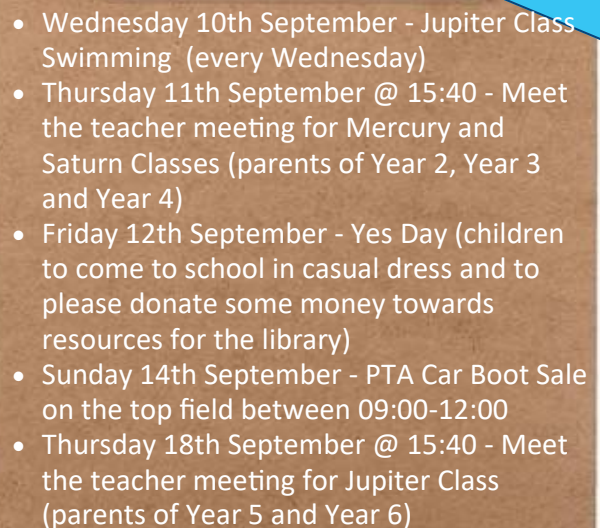

Reading with a therapy dog like Jaffle is such a brilliant way to encourage children's literacy development. Dogs create such a non-judgmental, calming environment that can really help children feel more confident about reading aloud.

It's wonderful to recognise the children's progress with the Pawsome Reading Certificates - it's a lovely touch that shows how much their efforts are valued. The children absolutely adore their reading sessions with Jaffle, and he enjoys all the attention and stories just as much!

How long has our school been running this reading programme? Not long! But it's been tremendously successful in encouraging the children's reading development.
