

What things costs

Education here is free, and we are careful to keep it that way in practice as well as in principle.

- **School lunches** are £3.30 per day. Children in Reception, Year 1 and Year 2 receive a free school meal automatically under universal infant free school meals.
- **Uniform** is deliberately kept simple and inexpensive, and we run a pre-loved rail. Nobody at this school need buy new. Parents do not have to buy logoed items but must buy items in the correct school colours. If you would like to buy logoed items, you will be able to purchase this at Buckland and Price [see link on our Uniform page].
- **Trips and visits** are funded by voluntary contributions. They are genuinely voluntary — no child has ever been left behind because a family could not contribute, and no child is ever told.
- **Breakfast Club and After-School Club** are charged and are run for us by KidzActive. Prices and booking are on the [Wraparound Care page].
- **Our other clubs and activities** are free.

If money is tight, please talk to us. That conversation is confidential, it happens more often than you would think, and there is nearly always something we can do.
