

### **Getting involved**

Our PTA is one of the reasons this school punches above its weight, and every family is automatically part of it. Some parents run events, some bake, some turn up on the day and move tables — all of it counts, and none of it is compulsory.

We also welcome volunteers in school, particularly to hear children read. If you can spare an hour a week, we would be glad of you. Volunteers need a DBS check — we apply for it on your behalf, so there is nothing for you to arrange and nothing to pay. Just have a word with the office.
