## Attendance Winners of the Week!

Regular school attendance is vital for your child's academic success and personal development. Each day offers unique learning opportunities and social interactions that cannot be replicated at home. Consistent attendance helps children build relationships, develop essential skills and maintain learning momentum.

**We understand children become genuinely unwell and will of course report such absences fairly. However, minor ailments like sniffles are not always a reason to miss school, and we encourage attendance wherever possible.**

Missing school creates learning gaps that compound over time. Children who attend regularly achieve better grades, develop confidence and stay engaged with their education.

**Congratulations to Jupiter Class for having the highest attendance last week. They will enjoy an extra 10 minutes of playtime as a reward.**

*Jupiter Class: 100%*

*Saturn Class: 93.75%*

*Mercury Class: 97.92%*

*Mars Class: 91.41%*

## Pawvsome Reader!

Did you know that Jaffle loves a good story almost as much as he loves a good snooze?

Every break time, he settles in with his favourite readers and listens with his whole heart (and both very long ears).

Whether it's an adventure, a mystery, or a tale about a particularly interesting sausage, Jaffle is all ears.

He never interrupts, he never laughs at mistakes, and he gives the very best cuddles when a chapter gets exciting. Come and share a story with the luckiest — and most well-read — dachshund in Essex!

Well done!  
Love: Jaffle xxx
