Change to the Chair of Governors

Dear Parents and Carers,

I am writing to let you know that Revd Brenda Brundritt has stepped down as Chair of the Governing Body at Ashdon Primary School. Revd Brundritt remained in post through our recent Ofsted inspection. We thank her for her service to the school and wish her well for the future.

I am pleased to let you know that the Governing Body has selected Margaret Hartley as our new Chair of Governors and Elrine Retief as our Vice-Chair of Governors. Margaret served as Chair of Governors before Revd Brundritt, so she will be a familiar face to many of you and already knows the school well. The work of the governors continues as normal, and the day-to-day running of the school is unaffected.

We still have two vacancies on the Governing Body: a Local Authority Governor and a Parent Governor. Governors play a vital role in supporting and challenging the school, and no previous experience is needed, as full training is provided. Information about the Parent Governor vacancy, including how to put yourself forward, will be sent to all families this week. If you would like to find out more about either role in the meantime, please contact the school office or speak to me directly.

Thank you, as always, for your continued support of our school.

Yours sincerely,

Mrs. Reynecke-Raybould
Headteacher
